**Community
Education**

Gather. Discover. Grow.

Do you want to become a Community Education instructor?

There's nothing more fun than *gathering* with a group of like minded people to *discover* something new and *grow* together!

The only thing limiting class ideas is your imagination & passion!

Sewing, cooking, crafts, Painting, Writing, Finance, Dance, Fitness, Hiking, Fishing, Music...

The possibilities are endless!

It's easy to get started:

- Come up with an idea to share something you're passionate about, no certification necessary!
- Business owners, this is a great opportunity to connect with the community, while sharing your interest and educating the public! You are your own best marketing tool!
- Submit a class proposal to Community Education.
- If your class is chosen, you have two payment options, become a District 241 employee or provide a W9, if you are an independent contractor.
 - District 241 employees will need to pay for a background check. Independent contractors working with youth under 18, will also need to pay for a background check.
- Let us take care of:
 - Marketing (Includes: placement in our seasonal book that sends out to more than 12,000 households in the district, CE Facebook page, district calendar and website.)
 - Registrations
 - Facilities
 - Class Rosters
 - Processing revenue (70% for adult classes, 75% for youth classes)

That's it! Get started today!
