

ALBERT LEA AREA
**Community
Education**

Gather. Discover. Grow.

Do you want to become a Community Education instructor?

Great!

There's nothing more fun than *gathering* with a group of like minded people to *discover* something new and *grow* together!

The only thing limiting class ideas is your imagination!

Sewing, Cooking, Crafts, Painting, Writing, Finance, Dance, Fitness, Hiking, Fishing, Music
The possibilities are endless!

And it's easy to get started:

- Come up with an idea to share something you're passionate about!
(We're happy to help!)
- Submit a class proposal to Community Education.
- If your class is chosen, become a District 241 employee or provide a W9, if you are an independent contractor.
- Let us take care of:
 - Marketing
 - Registrations
 - Facilities
 - Class Rosters
 - Processing revenue (70% for adult classes, 75% for youth classes)

That's it!
